CODISSIA - The Force Behind

The Coimbatore District Small Industries Association popularly known as CODISSIA is one of the largest Business Membership Organisation for Micro, Small and Medium Enterprises in India. It works for Industrial development, economic growth and prosperity of Coimbatore region. The Association has made significant contribution towards building a strong and stable industrial belt in this region and created awareness among entrepreneurs.

SUBCON 2023 - A source for successful outsourcing, announces the arrival of its 8th successful edition..

- A source for successful outsourcing, announces the arrival of its 8th successful edition. SUBCON 2023 presents you with a unique opportunity to meet some of India's bigger manufacturers and many large and medium enterprises, who have earned distinct reputation for their quality.
- This is also the platform for large industries to meet their potential vendors and start their dialogue. An ideal platform for vendor development, SUBCON 2023, a three days event, is scheduled to happen from **10th - 12th May 2023**.
- This event will have the participation of Defence and Central Public Sector Undertakings like BEL, BEML, HAL, Ordnance Factory, BHEL, NLC and Railway production establishments, and other Large-Scale industries from the private sector.

OBJECTIVES

The focus of this industrial meet is to enable the industrial fraternity to gain competitive advantage through mutual co-operation and support. It is a vantage point for small and large industries to exhibit their products, components and services to an entire gamut of industries. True to this purpose, the event will focus on fulfilling the following objectives.

- To help large industries identify their potential vendors and small industries, their source of job.
- To provide a platform for vendor registration for the large units and Central / DPSUs
- To show case the competence of MSMEs.
- To create an opportunity for both the user industry as well the suppliers to interact for their mutual business growth.
- To communicate procurement policies, registration procedures, quality standards, logistics, etc. expected by the buyers.
- To strengthen relationship within the clusters.

Central Public Procurement Policy (CPPP)

- Every Central Ministry /Department / PSUs shall set an annual target for 25% procurement from MSE Sector.
- A sub-target of 4% out of 25% target of annual procurement earmarked for procurement from MSEs owned by SC/ST entrepreneurs.
- Overall procurement goal of minimum 25% has become mandatory from 1st April 2015.
- Special provision for Micro and Small Enterprise owned by women. Out of the total annual procurement from Micro and Small Enterprises, 3% from within the 25% target shall be earmarked for procurement from Micro and Small Enterprises owned by women.
- 358 items are reserved for exclusive procurement from MSEs.

Exhibitors Profile

Processes, Parts, Sub Assembly Manufacturers & Sourcing Companies

Casting, Moulding & Forging

- Centrifugal casting (industrial)
- Die casting
- Investment casting (Lost-wax casting)
- Pressure die casting
- Sand casting
- Shell moulding
- Blow moulding
- Drop forge
- Upset

Machining

- VMC Milling
- CNC Turning
- Drilling
- Shaping
- Tapping & Threading
- Slotting
- Broaching
- Hobbing
- Plano Milling

Joining

- Arc Welding
- Tig welding
- Mig Welding
- Soldering
- Reviting & other fastening process

Abrasive & Super Finishing process

- Grinding
- Lapping
- Honing
- Tumbling
- Vibratory finishing
- Buffing
- Burnishing
- Plating process
- Electro plating
- Hard chrome plating
- Anodizing
- Powder coating
- Black Oxidizing

Sheet Metal Process

- Punching
- Blanking
- Deep Drawing
- Shearing
- Bending
- Piercing
- Trimming
- Notching
- Rolling

Other processes

- Heat treatment Process
- Laser Cutting & Water Jet Cutting
- 3 D Printing
- Laser engraving

Parts & Sub Assembly Manufacturers

- Auto & Auto Components
- Pumps & Motors
- Textile Machineries Spares
- Tools, Dies & Moulds
- Machine Tool Spares & Accessories
- Process Machineries Spares
- Testing & Assembly
- Gears & Gear Boxes
- Value Components
- Rubber Components
- Fabricated parts
- Aero Space Parts
- Railway Parts & Sub assembly
- Public Sector Suppliers

Visitor Profile

- Auto & Auto Components
- Pumps & Motors
- Textile Machineries Manufacturers
- Tools, Dies & Moulds
- Machine Tool Manufacturers
- Process Machineries Manufacturers
- Testing & Assembly
- Gear & Gear Boxes Manufacturers
- Valve Manufacturers
- Aero Space Parts
- Railways
- Public Sector undertaking

SUBCON 2018 - News in Media

Testimonials

Shri. S. Pandian

Distinguished Scientist, Former Director,
Satish Dhawan Space Centre SHAR, Sriharikota
Vikram Sarabhai Distinguished, Professor, ISRO

The Industries meet, like SUBCON - 2018, arranged by CODISSIA, Coimbatore, is certainly a wonderful platform for show casing the technological capabilities of our Industries, which helps in accelerating the growth of all the sectors of Industries, by the way of mutual exchange of ideas / transfer of emerging Technologies, gap filling of their technology exposure / absorption, vendor development which ultimately leads to the growth of the Nation as a whole.

Mrs. Vanitha Mohan

Chairman, PRICOL LIMITED

Coimbatore being a major hub for the MSME Sector, SUBCON is an event which helps to connect them with prospective customers. We in Pricol have benefitted largely by being able to source quality component suppliers for our products. It is our privilege to support the exhibition as it provides a platform for key industry members to come together under a single umbrella to display their capabilities and to draw a roadmap for future growth. On behalf of Pricol, I wish SUBCON 2023 great success in forging business relationships."

Mr. K.K. Jayakumar

Sree Megala Gear Industries

After participation in SUBCON 2018 our company's turn over improved by 50% and we could get more clients too. I am happy to mention that we became the supplier for L&T and BHEL.

D. Shanmuga Sundaram

Managing Director - S&T Group
Vice President - TAGMA INDIA

SUBCON provides an ideal platform for the MSMEs to showcase their capabilities, at the same time, PSUs and large private industries could also participate and identify quality vendors. I very much appreciate the commitment of CODISSIA towards the development of small industries through this show, as we are aware the economy of this region is supported primarily by MSMEs.

Hope this event this year will gain attention from more new entrepreneurs since Defence sector holds huge opportunities for MSMEs and start-ups who are geared up to meet those requirements. As a renowned evolving manufacturer, STM brand takes pride to be part of SUBCON 2023.

N. Krishnaraj

Managing Director
Kovai Fine Coats

SUBCON is one of the best platform for Networking with MNC,PSU & MSME's. Being a service industry doing jobwork for Machining & Special Coatings. We have seen a good growth after participating in SUBCON's.
